### **Surface Transportation Board To Audio Stream Its May 3 "Conrail Oversight" Public Hearing**

Surface Transportation Board Chairman Roger Nober today announced that the audio of its Monday, May 3, 2004 "Conrail Oversight" public hearing will be available live over its redesigned Web site. The live audio streaming is an agency first and may be accessed via the STB's Web site at <http://www.stb.dot.gov> throughout the hearing, which begins at 10:00 a.m. Click on "**Live Audio**," under "**Information Center**," at the left side of the home page.
